

#### 4. First-aid measures

If reagents or test solutions;

- Enter in eyes: Immediately rinse thoroughly.
- Contact with skin: Immediately wash out contaminated site with plenty of water.
- Enter into mouth: Immediately rinse mouth with plenty of water.

If ingested or in case any symptoms appear after above measures, immediately get medical advice or treatment.

#### 5. Fire-fighting measures

- Extinguishing methods: Cut off ignition sources and extinct by a suitable media.
- Suitable extinguishing media: Water (mist), powder, carbon dioxide, dry sand.

#### 6. Accidental release measures

In case of outdoor use: avoid spill of reagent or waste solution.

In case of indoor use: if spilled on a table or floor, wipe off immediately spilled reagent and dispose of them.

#### 7. Handling and storage

Handling: ppAvoid contact of reagents with your skin or eyes, and inhalation of those especially powder in tube.  
Especially for outdoor use, ensure to bring back reagents, waste solutions after the measurement and used containers.

Storage: Avoid direct sunlight and store in a well-ventilated, dry and dark place at room temperature.

#### 8. Exposure controls and personal protection

Administrative control level

Working environment standard: Not established

Occupational exposure limits

Japan Society for Occupational health: Not established

ACGIH (TLVs): Not established

OSHA (PEL): Not established

Protective equipment: Recommended to wear protective glasses and gloves.

#### 9. Physical and chemical properties

Physical state: Tube containing powder reagent: 1.1 g x 15 tubes/kit (1 tube per aluminum laminated packaging)

Color: White (powder), semi-transparent (polyethylene tube)

Odor: No odor

pH: 7.5

Melting point, boiling point, flash point, ignition point, lower explosion limit, vapor pressure, density, relative density, solubility, Pow, kinetic viscosity: not available as a mixture.

#### 10. Stability and reactivity

Avoid leaving in a place where high temperature, humid or under direct sunlight.

Stable under normal use conditions and no dangerous reactions under specific conditions are expected.

No information on hazardous decomposition product is available.

## 11. Toxicological information

No data on mixture is available. Data on each substance are shown.

Polyethylene: No toxicological information available

GHS classifications as a mixture are shown below.

[Acute toxicity (oral)], [Acute toxicity (dermal)], [Skin corrosion/ irritation], [Serious eye damage/ eye irritation],  
[Respiratory or skin sensitization], [Germ cell mutagenicity], [Carcinogenicity], [Reproductive toxicity],  
[Specific target organ toxicity (single exposure)], [Specific target organ toxicity (repeated exposure)],  
[Aspiration hazard]

Not classified or classification is not possible due to not enough data available.

## 12. Ecological information

No data on mixture is available. Data on each substance are shown.

Polyethylene: No eco-toxicological information available.

GHS classifications as a mixture are shown below.

[Hazardous to the aquatic environment, short-term (acute)],  
[Hazardous to the aquatic environment, long-term (chronic)]  
Classification is not possible due to not enough data available.  
[Harmful effects on the ozone layer]:

Classification is not possible because each of the substances is not described in Annex to Montreal Protocol.

## 13. Disposal considerations

Always dispose of in accordance with local regulations.

## 14. Transport information

In addition to precautionary measures regarding handling and storage, avoid rough handling so as not to break containers. It is recommended to ship by air because under high temperature for long period may lead to deterioration.

UN classification and number: Not applicable  
Civil Aeronautics Act: Not applicable  
Fire Service Act: Not applicable  
Total weight of the product: ca.60 g/kit

## 15. Regulatory information

Poisonous and Deleterious Substances Control Act: Not applicable  
PRTR Act: Not applicable  
Industrial Safety and Health Act: Not applicable

## 16. Other information
